

# The 2027 Grass & Sedge Collection

*"The grass is always greener on this side of the fence."*

A curated 2027 collection of ornamental grasses, sedges and rushes — from architectural switchgrass and feather reed grass to luminous gold Hakonechloa and silver-blue fescues, plus tissue-culture selections grown for crisp colour and form. All are offered as well-rooted liner plugs, ready to finish into strong, saleable containers.

Use the order form on the next page to select your sizes, quantities and delivery weeks.

## PROGRAM AT A GLANCE

- Regular grasses: 72-cell & 288-cell
- Grass Special (tissue culture): 72-cell only
- Minimum order: 4 trays per variety
- Quantity discounts on orders of 1,000+ per variety
- Order deadline: July 10, 2027
