

The 2027 Groundcover Collection

Our top-selling groundcovers — proven performers, grown as liners.

FROM OUR DOOR TO YOURS

Westcan brings you the groundcovers that move — the proven carpeters, creepers and fillers your customers ask for by name, ready to pot up, grow on and sell.

Every variety here is a proven seller — tough, dependable and grown as well-rooted liners in 72 and 102-cell trays.

124 varieties in total

These are our top sellers — our full groundcover program spans 124 varieties. Ask your rep for the complete list.

HOW TO ORDER

1. Browse the collection.

Our top groundcovers are listed on the booking page, grouped by type.

2. Choose size + trays + week.

Note cell size, number of trays and your delivery week per variety.

3. Mind the minimum.

Orders are 4 trays minimum per variety.

4. Send it to your rep.

Return your filled booking page to your sales representative.

5. We confirm.

Availability and delivery weeks are confirmed on booking.
