TRAYS

Red Garnet

Dianthus hybrida

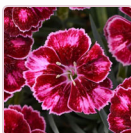

Deep, velvety red blooms over silver-gray foliage. Color holds — flowers don't fade in heat or full sun. Mounding, 6–8 in.

Pink PomPom

Dianthus hybrida

Fully double, rose-pink carnation-style flowers with dark green foliage. Spreading habit, 6–8 in.

Ruby Glitter

TOP SELLER

Dianthus hybrida

Non-fading ruby-red blooms splashed with cream-white blotches over silver-gray foliage. Mounding, 6–8 in.

Ruby Snow

Dianthus hybrida

Crisp white blooms with striking ruby-red eyes on silver-gray foliage. No fading in heat or sun. Mounding, 6–8 in.

TOTAL TRAYS

HOW IT FINISHES

Retail-ready color, fast

Ideal for 2.5-qt and 1-gal pots. Finishes 18–20 wks with cold bulking for a heavy spring flush; however, this variety doesn't require vernalization to flower. Shown: Ruby Glitter & Ruby Snow.

Quantities are subject to availability at time of confirmation. Minimum 4 trays total per order. Pricing to be confirmed on order acknowledgment.
